

## ABC International Press Release

### New Decorative Crest for Air Serbia A330-200

Naples, 1<sup>st</sup> of July 2016

**Air Serbia** has launched its first flight between **Belgrade** and New York.

ABC International has contributed to the cabin refurbishment of the A330-200 with decorative Crest's design, certification and manufacturing. The airline's logo is installed on the Galleys and Lavatories

**ABC International** has manufactured these crests with painted aluminum, according to dimension and pantone colors guidelines.

This program has been a challenge because of lead-time. The overall Decorative Crest's activities completion have been achieved within only one month.

About ABC International :

**ABC International Srl** is a company providing qualified Engineering and Managerial Services to the Aviation Industry, either OEMs, Airlines, Leasing companies or MROs. ABC INTERNATIONAL is an EASA approved AP-DOA Company (approval number AP-346) able to certify and approve any minor/major modification to aircraft cabin interiors by means of Engineering Order/Service Bulletin or STC - Supplemental Type Certificate. ABC INTERNATIONAL is glad to highlight its capability in design, manufacturing, certification and installation approval of ABC Decorative Crest for airline cabins. Starting from the company brand logo ABC is able to develop a dedicated 3D design style proposal and once approved the final design, industrialize it for manufacturing and deliver the decorative crest ready for installation with all the relevant hardware, EASA approved data and Form One.
