

ABC International Press Release

New Decorative Crest for Small Planet Airlines

Naples, 1st of April 2016

ALL AROUND THE WORLD....

ABC INTERNATIONAL's Decorative Crests are Flying all around the world.

Into the never-ending effort to expand and consolidate its own customers' base, ABC proudly announce latest companies joining the community of "ABC Decorative Crest users": Ethiopian Airlines and Small Planet Airlines. Both Airlines have awarded design, manufacturing and certification of their Company Logos to ABC. The new Decorative Crest shall be installed on board the B777, B737 and B787 for Ethiopian Airlines, and on board the A320 for Small Planet Airlines.

ABC INTERNATIONAL is actually flying all over the world thanks to the amazing Decorative Crest for Small Planet Airlines which represents the earth. The Crest is made of an aluminum support, various layers of colored polycarbonate plates and it is retro illuminated by the LED Lighting System. The final outcome is actually awesome and "multicolored planet" looks pleasantly lighted and encourage the dream of travel for all passengers looking at it.

About ABC International :

ABC International Srl is a company providing qualified Engineering and Managerial Services to the Aviation Industry, either OEMs, Airlines, Leasing companies or MROs. ABC INTERNATIONAL is an EASA approved AP-DOA Company (approval number AP-346) able to certify and approve any minor/major modification to aircraft cabin interiors by means of Engineering Order/Service Bulletin or STC - Supplemental Type Certificate. ABC INTERNATIONAL is glad to highlight its capability in design, manufacturing, certification and installation approval of ABC Decorative Crest for airline cabins. Starting from the company brand logo ABC is able to develop a dedicated 3D design style proposal and once approved the final design, industrialize it for manufacturing and deliver the decorative crest ready for installation with all the relevant hardware, EASA approved data and Form One.
