Press Release

ABC International and JSD Corporation Announce Strategic Partnership to Offer Aircraft Cabin Interior Solutions in Asia Pacific

MoU signed at MRO Asia-Pacific 2026 brings together ABC International's cabin design and production capabilities with JSD Corporation's regional aviation experience

Naples, Italy - October 14, 2026 - ABC International Srl and JSD Corporation Pte Ltd signed a Memorandum of Understanding (MoU) during MRO Asia-Pacific 2026 in Singapore. The agreement lays the foundation for a joint venture focused on aircraft cabin interiors and marks a significant step in ABC International's expansion across the Asia Pacific region.

The partnership will combine ABC International's aircraft cabin design and production capabilities with JSD Corporation's extensive aviation experience, regional market knowledge and established relationships with airlines and lessors. By bringing these strengths together and thanks to a local presence, the companies aim to offer customers in Asia Pacific greater access to high-quality cabin interior solutions with shorter delivery times.

For **Rodolfo Baldascino, CEO of ABC International**, the agreement brings together complementary strengths: "We are pleased to begin this partnership with JSD Corporation. Kumar Balasingam is a highly respected professional in the aviation industry. His knowledge of the region and JSD's strong relationships will be invaluable as we grow ABC International's presence in Asia Pacific. Together, we want to help airlines and lessors meet their cabin interior needs with the quality and speed they expect."

Kumar Balasingam, CEO of JSD Corporation, highlighted the opportunity to build on JSD's regional relationships: "Aircraft interiors are an important area of growth for JSD. We see considerable potential in combining ABC International's capabilities with the experience and relationships our team has built across Asia Pacific. This partnership will allow us to introduce ABC's solutions to more airlines and develop a business that responds to the region's evolving cabin needs."

The MoU reflects a shared ambition to strengthen the support available to aviation customers in Asia Pacific. Through their planned joint venture, ABC International and JSD Corporation intend to build a closer connection between specialist cabin interior expertise and the airlines and lessors seeking those services in the region.

About ABC International

ABC International is an EASA Approved Design and Production Organization based in Naples, Italy, offering certification and modification services to the aviation industry players such as airlines, lessors, MROs and OEMs since 2009. In recent years the company has delivered over 300 projects to major airlines in the field of aircraft cabin modification and upgrades. For more information, please visit https://www.abc-int.it/

About JSD Corporation

Founded in 1989, JSD Corporation Pte Ltd is a Singapore-based aviation company with experience in aircraft and engine leasing, sales and customer support. It has also worked with aircraft seat manufacturers to bring cabin products to airlines in Asia and other markets. JSD is expanding its focus on aircraft interiors, drawing on its regional relationships and industry experience.
